

(Chorus)

You need an attitude of gratitude

Quit that saucy bad-itude

Be happy for what each new day brings.

An attitude of gratitude

Will put your heart right in the mood

In the mood for you to dance and sing.

1) When you're feeling down and out

When you're feeling blue

When you're feeling really glum

Here's what you can do

(Show an...) chorus

2) When your brow is furrowed

And dark clouds hang overhead

When you have to get up but would rather stay in bed

(Chorus)

3) When you're feeling troubled

And things aren't going right

Don't you get discouraged

Just try with all your might
